Expanded Payment Options

Velocity enables non-profit organizations to accept payments and donations securely and affordably. Velocity provides charitable organizations with a complete set of payment options, including Web, Phone, Interactive Voice Reponse, Mobile, Point-of-Sale, as well as on line Shopping Carts. With Velocity, it's easy to establish, maintain and grow relationships with donors and participants.

Specialized Solutions

Velocity for Charitiable Giving is a simple, yet robust solution that enables you to accept credit card, branded debit card and electronic check/ACH b'ansactions. Our specialized solutions support donations, tithes, contributions, continuing gifts, registrations, sponsorships, membership fees, subscriptions, publications, events, tickets, phone-a-thons and merchandising. Velocity is highly configurable and it can be deployed rapidly and affordably by your organization. Velocity also provides you with top notch support during the implementation process and after your payment solution is up and running.

Compliant and Secure

All Velocity for Charitable Giving solutions are fully compliant with the best practices of PCI and SSAE 16 Type II. Velocity takes data security very seriously, ensuing that all transactions are fully encrypted and processed in a secure manner. With Velocity, we manage payment processing so you can focus on your charitable works.

Benefits

Expand Payment Options
Improve Reporting
Reduce Transaction Costs
Enhance Revenue Cycle
Improve Collections
Integrate with Back-Office Systems

Velocity also offers a shopping cart solution that will enable your organization to sell merchandise and publications. With this solution, you can collect payment for any event, gather customer-specific information, as well as manage event attendance.
