Expanded Payment Options

Velocity enables non-profit organizations to accept payments and donations securely and affordably. Velocity provides charitable organizations with a complete set of payment options, including Web, Phone, Interactive Voice Response, Mobile, Point-of-Sale, as well as online Shopping Carts. With Velocity, it's easy to establish, maintain and grow relationships with donors and participants.

Specialized Solutions

Velocity for Charitable Giving is a simple, yet robust solution that enables you to accept credit card, branded debit card and electronic check/ACH transactions. Our specialized solutions support donations, tithes, contributions, continuing gifts, registrations, sponsorships, membership fees, subscriptions, publications, events, tickets, phone-a-thons and merchandising. Velocity is highly configurable and it can be deployed rapidly and affordably by your organization. Velocity also provides you with top notch support during the implementation process and after your payment solution is up and running.

Compliant and Secure

All Velocity for Charitable Giving solutions are fully compliant with the best practices of PCI and SAS-70 Type II. Velocity takes data security very seriously, ensuring that all transactions are fully encrypted and processed in a secure manner. With Velocity, we manage payment processing so you can focus on your charitable works.
